

Teamwork

Success factors

- Teambuilding (trust, pleasant atmosphere)
- Set up a good environment
- Realistic goals (give more than you promise)
- Maintain momentum: ensure quality of work, strength of workforce and good management
 - avoid: general slow and ineffective atmosphere
- Track progress
- Common goals & vision (commitment, shared sense of unity behind the goals, communication)

By Joona & Teemu

Focus on communication:

- Discuss what need to be done
- Tackle problems early
- Distribute work properly
- Frequent feedback

By Matias & Tuomo

Practical recommendations

- Communication channels (pretty good atm)
- Juho (honestly committed to project?)

Continuous integration

- CruiseControl
- “Continuous Integration assumes a high degree of tests which are automated into the software”
